6. Mr. Lalthianghlina, Asst. Director (Survey), LR&S.
7. Mr. B. Hmangaihkima, MIS Coordinator, LR&S.

The meeting was presided over by Pu R Lalramnghaka, Director, LR&S, Mizoram.

Welcoming the members, the Chairman apprised the members on the general situation of the plan to develop the integrated computerised land record management system under the National Land Record Modernisation Programme, and that the task has been entrusted wholly to the NIC, Mizoram, with strong involvement of the to-be user Department, the Land Revenue & Settlement Department.

After detailed and lively discussion on the task at hand, the meeting arrived at the decisions as hereunder:

1. Software Development Team (SDT):

- 1.1 The meeting constituted the Software Development Team, comprising the following members:-
 - 1) Mr. Lal̄hathanga, Sr. System Analyst, NIC : Team Leader.
 - 2) Mr. James Vanlalfakawma, S.O, NIC : Member.
 - 3) Mr. Praveen Kumar, S.O, NIC : Member.
 - 4) Mr. H.C Rochungnunga, S.O, NIC : Member.
 - 5) Mr. Lalrinpuia, Programmer, NLRMP : Member.
 - 6) Mr. B. Hmangaihkima, MISC, LR&S. : Member.
- 1.2 The SDT will make the Action Plan including budget outlay for the development of the integrated web-based computerised land record system, integrated with the computerised system of property registration and tax assessment-cum-payment.
- 1.3 Mr. B. Hmangaihkima and Mr. James VL Fakawma will draft the Action Plan which will be placed for review in the first meeting of the SDT, scheduled to be held on the 21st August, 2015. The Action Plan, after necessary modification will be submitted to this Committee for approval.

2. **Bhunaksha Software:**

- 2.1 The Bhunaksha software, developed by the NIC for online management of digitised land maps was procured from the NIC, and initial customisation of the system has also been done by the NIC for Mizoram. The software, during demonstration earlier in the Directorate of LR&S was found to have needed some components/ tools of the ArcGIS which are vital to complete functionality of the software.
- 2.2 The meeting entrusted Mr. Lalthianghlina, AD (S), LR&S to prepare the list of such missing tools/ modules for submission to the NIC for necessary action.

The meeting ended with a vote of thanks from the Chair.
