

**GOVERNMENT OF MIZORAM
LAND REVENUE & SETTLEMENT DEPARTMENT**

Aizawl, the 9th September, 2025

NOTIFICATION

No. A.36011/7/2025-LR&S: Whereas, Rule 7(5) & 10(5) of *The Mizoram (Land Revenue) Rules, 2013* explicitly provides the condition for transfer of leased land and Periodic Patta and that transfer of leased land or periodic patta is not permissible between private individuals or private entities in normal circumstances. Rule 7 (12) & 10(10) of the said Rules also provides that the leased land or periodic patta should be surrendered to the Government of Mizoram if the lessee has no further use of the land for which it was leased or allotted. The surrender of the leased land or periodic patta to the State Government clearly implies its automatic inclusion in the Government land bank.

2. And whereas, as per Section 20 of *The Mizoram (Land Revenue) Act, 2013* and Rule 26 of *The Mizoram (Land Revenue) Rules, 2013*, it is mandatory for the lessee or periodic patta holder to submit a notice of relinquishment of the leased land or periodic patta in Form 10 to the concerned District Revenue Officer, if the lessee or the periodic patta holder has no further use of the land.

3. And whereas, it has come to the notice of the Government that certain lessee or periodic patta holder, upon ceasing to utilize the land for the intended purpose or having no requirement of the land, have entered into unauthorized arrangements with private individuals or entities. Also, it has come to the notice of the Government that, prior to formal submission of the notice of relinquishment, certain lessees or periodic patta holder had engaged in financial arrangements with interested parties, accepting monetary compensation. These agreements are made with the tacit intent that, upon relinquishment, such interested parties eventually stake a claim for the same parcel of land, which will eventually become vacant or unallocated Government land.

4. And whereas, upon completion of the relinquishment process of the land, the same vacant plot is subsequently applied for by individual(s) who had prior financial arrangements for transfer of interests upon the said land with the former lessee or periodic patta holder, seeking issuance of a land pass from the Government. Such practices, wherein land passes are applied upon relinquished leased land or periodic patta, obviate the necessity to have conveyance or sale deed between the two parties for issuance of land passes on such relinquished land. Consequently, no separate registration fee or stamp duty is levied by the

Department. Apparently, new land passes are being issued upon such land without any formal deed, while in reality, an informal agreement, often involving monetary consideration, had already been made between the previous lessee or periodic patta holder and the later land applicant. This results in financial loss to the Government exchequer.

5. And whereas, in cases, in addition to those stated in the preceding paragraphs, where a plot of land is either vacant, or where only a Village Council House Site Pass exists, or where the land is under informal possession, i.e., occupied without any legal title, it has been the usual practice to apply for a Revenue Pass issued by the Department through the prescribed form, and no stamp duty or registration fee is levied on such applicants. In actual practice, notwithstanding the fact that such Village Council Passes or informal possession of any vacant land do not confer legal title or proprietary rights upon the holder, the pass holder is nevertheless purported to have an interest or stake in the subject land. Accordingly, financial agreement is often effectuated between the said VC Pass holder and the prospective land applicant, as enumerated in paragraph 3 herein. Pursuant to Section 17(1)(b) of the Registration Act, 1908, any document that purport to create, declare, assign, or in any manner conveys any right, title, or interest in immovable property, whether at present or future, is mandatorily registrable. Accordingly, allotment of land in such cases, shall not be deemed enforceable unless and until such registration is duly effected under the provisions of the Act.

6. And whereas, Section 17(1) of The Registration Act, 1908 clearly specifies the categories of documents that are compulsorily registrable to the State Government. That in instances where mutual agreements, as referred to in Paragraphs 3, 4, and 5, have been entered into between the concerned parties, such instruments fall within the scope of Section 17(1)(b) of The Registration Act 1908, thereby making their registration mandatory under the provisions of the said Act.

7. Now, therefore, the Governor of Mizoram is pleased to notify that in cases where mutual agreements, as referred to in paragraphs 3, 4, and 5, have been duly executed between the concerned parties, stamp duty shall be levied on such instruments under the provisions of Article 5 of Schedule 1 of The Indian Stamp Act, 1899 (*in its application to the State of Mizoram and as amended from time to time*) and shall be deemed to constitute a conveyance within the meaning of Section 2(10) of the Indian Stamp Act, 1899. Accordingly, the applicant shall be liable to pay the applicable stamp duty and registration fee, as prescribed under Article 23 of Schedule 1 of the Indian Stamp Act, 1899 (*in its application to the State of Mizoram and as amended from time to time*), based on the market value

of the land or the consideration amount agreed upon between the parties, whichever is higher. The provisions of this Notification shall apply to agreements made in respect of the following cases:

- 1) Application for Land Lease or Periodic Patta on relinquished land.
- 2) Application of Land Passes on relinquished land.
- 3) Application for Land Passes (exclusively on land wherein VC Pass were issued prior to it).
- 4) Application for Land Passes (exclusively on land where no pass exists but wherein some persons have purportedly an interest or stake).
